Orillia Canadian Club

In affiliation with the Orillia Young Men's
Christian Association

The Club was organised on November 20th, 1905, with a charter membership of 50. For the first season the average attendance at the meetings was 43. Last season the membership increased to 112, at which figure a limit was placed, owing to lack of further accommodation. The average attendance rose to 65. Meetings are held monthly in the Y.M.C.A. lecture room, and are usually preceded by a tea served by the Ladies' Auxiliary.
